## Kid's Detective Agency Birthday Parties

Has your child ever wanted to be a super sleuth like Nancy Drew? Solve mysteries riddles and codes? Be a policeman or a member of a CSI unit?

They can at Sleuths Mystery Dinner Shows' "Kid's Detective Agency Birthday Parties." In fact, the birthday child can be the lead investigator in his or her own detective agency!

Each child will be given a police badge and learn private eye investigative techniques. Exciting activities include solving crimes, cracking secret codes, fingerprinting, unraveling clues, and donning disguises. This celebration is designed for children ages 6 to 12, and can be scheduled for a lunch on the weekends.

Children will enjoy pizza and soda while solving their detective cases. Ice cream kicks off the final festivities. Guests are welcome to bring their own cake or purchase one of Sleuths' detective-themed cakes.

The birthday bash can be scheduled for parties of 15 or more on Saturday or Sundays. Admission is \$21 per child ages 3-12, and the birthday child is free. Adults are \$16. For information, reservations, and show times call 407-363-1985 or 800-393-1985. Most major credit cards are accepted. Sleuths Mystery Dinner Shows is located one block behind Ripley's Believe It or Not at 8267 International Drive, Orlando, FL 32819.
