

ATTENTION! Thousands of crimes have been committed at a dinner theatre in Orlando, Florida since the year 1980, and criminals continue to strike every night! We need your help! We invite you to witness the dastardly deed, and then **"Become the Detective"** in solving the whodunit. The mayhem is taking place nightly at Sleuths Mystery Dinner Shows, where you will die of laughter.

Step into a world of intrigue, comedy, and suspense at Sleuths. Your evening begins with our pre-show and hors d'oeuvres in the lobby. Then you are escorted to your theatre and show. There you mingle with outrageous characters as you enjoy your salad. Laugh at the antics of comedic award-winning actors and watch for clues as a hilarious mystery unfolds. After the crime takes place, you will savor a sumptuous dinner. As you dine, analyze and discuss the evidence, then formulate questions to pose to the suspects during an interrogation. Afterwards, make an accusation. Prizes are awarded to successful sleuths.

Currently, **Sleuths** features **15 comedy-mysteries** alternating throughout the week. In *"The Show Must Go On,"* you attend the Village Theater's annual auditions for their big new stage production, *"Lord Mansfield's Fox Hunt Banquet"* takes you to Salisbury, England, where the gentry have gathered for a festival before the annual fox hunt. Join the festivities at an Italian wedding where *"Kim & Scott Tie the Knot."* It is a wedding to die for! While touring England, your bus breaks down in front of the *"Squires Inn,"* a fast-paced Sleuths' mystery. *"The Premiere,"* a very high end Hollywood gala goes terribly wrong. And our **BRAND NEW** murder mystery, *"Falling Pines!"* a once-grand Hampton Vacation home is up for sale, but will the mother and daughter team let their prized home sell.

So bring your investigative skills and prepare to laugh as you encounter deceit and scheming! It's such an uproarious good time...it's criminal!
